

FEBRUARY NEWS AT THE CLUBHOUSE

This month we are learning about Spring and Fairytales/Folklore.

In Science, we will be exploring worms and germinating seeds to plant in the garden. In Discovery, we will be learning some fairytales and we'll practice them so that we can re-tell the story for ourselves using play props!

Parenting Education Services

We would like to take this spot to thank all of the parents who have volunteered for the Planetarium field trip. We truly appreciate all of your help. Thank you ☺

Please think about coming into your child's class and sharing your family culture and heritage with us. We want to learn about as many places around the world as we can. If you are interested, let us know and we can choose the perfect time for you to come share!

Valentine's Day Ice Cream Social
Tuesday, February 14th
at 10:00am

We will be celebrating "Caring and Sharing" with a Valentine's Party.

There will be a sign-up posted for Ice Cream and all the fixings for sundaes. Yum!

We will be passing out our Valentine Cards during the party - please bring your cards addressed FROM your child only! It is much too time consuming if each card has individual names.

So basically, just have your child write their OWN name on all of their cards! Thank you for your cooperation in this ☺

As always, parents are more than welcome to come and enjoy the festivities!

RED = 19 Students YELLOW = 22 Students

GREEN = 19 Students BLUE = 20 Students

There are so many jackets and coats with NO NAMES in them. Please be sure your child's name is on their belongings. Check the "Lost and Found" for jackets and sweatshirts...any left behind after March will be donated to Casa De Los Ninos.
